

.NET Portal Account Setup (Parents and Students)

- The following are step by step procedures to create a .NET Portal Parent account to access your child's grades, attendance, schedules, assignments, teacher information and more.
- This same procedure can be used by Students to setup their .NET Portal student account.

Parents must have the following 4 information items to create an account and associate that account with their student or students.

1. Child's student **permanent ID number**.
2. **School verification code**.
3. Parents must know the **primary telephone number on record with their child's school**.
4. Parents must have an **email address** that will be used in creating the Parent Portal account.

To create your account:

- Open your web browser and go to <https://aeriesportal.rusd.k12.ca.us/> and click the 'Create New Account' link in the bottom of the screen. Note:

The image shows a screenshot of the Aeries SIS Portals login interface. At the top right, there is a language dropdown menu set to 'English'. The main heading is 'Aeries® SIS Portals'. Below this, there are two input fields: the first is for a username (indicated by a person icon) and the second is for a password (indicated by a lock icon). Below the password field is an orange 'LOGIN' button. At the bottom, there are two links: 'Forgot Password?' and 'Create New Account'.

- **Step 1** of the sign up process brings up the account type option. Choose the '**Parent**' account Option as shown below and click the **Next** button.
 - **Students** – If you are a student following this document, you will need to choose the '**Student**' radio button.
